### DANCE

**JOE GOODE PERFORMANCE GROUP** Goode comes on like a cowboy in the Sam Shepard mode, but he's a gay man, born in Virginia, settled in San Francisco. Too long absent from our precincts, he arrives with three works new to New York but beloved of West Coast audiences: the loony duet *Doris in a Dustbowl*, in which he and colleague Liz Burritt play Rock Hudson and Doris Day; *Take Place*, which explores the role of "place" in our decision making; and the newer *What the Body Knows*, to music by Beth Custer and incorporating video by Doug Rosenberg. **TUESDAY THROUGH FRIDAY AT 8**, Joyce Theater, 175 Eighth Avenue, 212-242-0800.
